

Standalone Range Mini Metal Keypads - Slim and Vandal Keypads

MTPAD

Small metal keypad with backlit metal keys.

Mounting: **Surface**
Housing: **Moulded Aluminium**
Colour: **Silver, Dark Grey, Blue, Green, Red and White**
Keys: **Backlit Metallic**
Resin potted electronic: **Yes (with 1m cable)**
Relays: **1 Relay (2A) & 1 Transistor (250mA)**
Master Code (programming): **1**
User Codes: **99**
Relays Timer Set Up: **On/Off or Impulse from 1 to 99 seconds**
Exit Push Buttons: **1**
Memory: **EEPROM (Keep programming safe even in case of power-cut)**
Green LED: **Relay status**
Red LED: **Transistor status**
Orange LED: **Programming Status**
Keypad blocking: **For 30 seconds with bip noise after 8 consecutive incorrect codes**
Buzzer: **1**
Antitamper: **When Opened or Dismantled**
Consumption: **30mA in stand-by. Maximum 100mA**
Power: **Automatic power select 12-24V DC; 15-24V AC**
IP Rating: **65**
Dimensions (mm): **92x51x25**

INOX99 and VKP99

Standalone Mulion and Vandal Resistant Keypads

Mounting: **Surface**
Resin potted electronic: **Yes**
Relays: **1 Relay (2A) & 1 Transistor (250mA)**
Master Code (programming): **1**
Users Codes: **99**
Relays Timer Set Up: **On/Off or Impulse from 1 to 99 seconds**
Exit Push Buttons: **1 (for 2A relay)**
Memory: **EEPROM (Keep programming safe even in case of power-cut)**
Green LED: **Relay status**
Red LED: **Transistor status**
Orange LED: **Programming Status**
Keypad blocking: **For 30 seconds with bip noise after 8 consecutive incorrect codes**
Buzzer: **1**
Antitamper: **When opened or dismantled**
Consumption: **10mA in stand-by, 60mA in use**
Power: **Automatic power input selection 12/24V AC/DC**
Bus Codix: **Bus 3 conductors (+/-data) allowing to connect up to 3 remoted readers within a maximum 50m distance**
Remote readers Codix: **Keypads (LCS, INOX, VKP) - Proximity (LCSP-EM/MF, MINI-C, VPROX2-C, MTPXS-C)**
