

# CAM970-971

## IPC-F715 SERIES

1.3Megapixel IP Camera

### Model

DH-IPC-F715P

DH-IPC-F715P-W

DH-IPC-F715N

DH-IPC-F715N-W

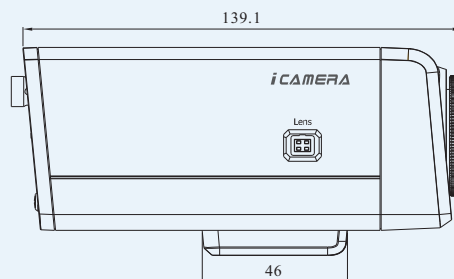

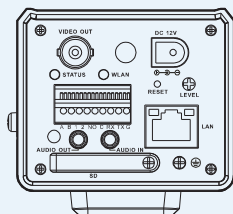

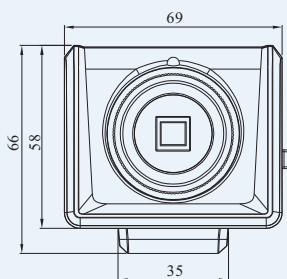

### NOTE:

F715P with PAL format, F715N with NTSC format. -W support wireless LAN.

### Features

- TI DaVinci Series DSP
- H.264/MPEG4
- SONY 1.3M CCD
- 0.1Lux@F1.2
- 1 video out
- Multi stream, ACF
- RS485 control
- Reset function
- Alarm I/O
- SD card
- PoE
- JPEG snapshot

### Dimensions(mm)

## Specifications

| Model                 | DH-IPC-F715P/N(-W)                                                 |
|-----------------------|--------------------------------------------------------------------|
| Processor             | TI DaVinci Series DSP                                              |
| Operating System      | Embedded LINUX                                                     |
| Resource              | Simultaneous remote monitoring, local recording and remote control |
| User Interface        | WEB, DSS, PSS                                                      |
| System Info           | HDD info, BPS, Log, Soft version, online user                      |
| Image Sensor          | 1/3-inch CCD                                                       |
| Video Format          | PAL/NTSC selectable                                                |
| Total Pixels          | 1280(H)*960(V)                                                     |
| Day/Night             | Yes                                                                |
| Auto Iris             | Yes, DC driver                                                     |
| Lens                  | Selectable                                                         |
| Lens Mount            | CS                                                                 |
| Mini. Illumination    | 0.1LUX/F1.2                                                        |
| Signal Noise Ratio    | >50dB                                                              |
| Gain Control          | Auto                                                               |
| White Balance         | Auto                                                               |
| Electronic Shutter    | Auto/Manual, 1/50~1/10000                                          |
| Video Compression     | H.264/MPEG4/JPEG                                                   |
| Video Resolution      | 1.3M(1280*960)/720/D1/HD1/VGA/CIF/QCIF/QVGA/QCIF                   |
| Video FPS             | 25fps(1280*720), 12.5fp(1280*960)                                  |
| Video BPS             | 32K~8Mbps selectable                                               |
| Video Output          | 1-ch BNC(1.0VP-P, 75ohm),                                          |
| Audio Compression     | G.711/PCM                                                          |
| Audio BPS             | 64Kbps/32Kbps/10.2Kbps                                             |
| Audio Input           | 1-ch 3.5mm JACK MIC IN                                             |
| Audio Output          | 1-ch 3.5mm JACK SPEAK OUT                                          |
| Alarm                 | 1-ch IN/1-ch OUT                                                   |
| Wired Network         | 10/100 Ethernet, RJ45                                              |
| Wireless Network      | 802.11b/802.11g(-W)                                                |
| Synchronization       | Yes                                                                |
| Local Record          | SD card                                                            |
| RS485                 | Yes                                                                |
| PoE                   | Yes                                                                |
| Power Supply          | DC 12V                                                             |
| Power Consumption     | <5W                                                                |
| Operating Environment | -10°C~+55°C, 10%~90%                                               |
| Dimension             | 122mmx68mmx55mm                                                    |
| Weight                | 650g                                                               |
| Mount                 | Multiple choice                                                    |
